About the property

Step into this modern, open-concept home, just 5 years old & gently lived in by its original owner. Featuring 3 generously sized bedrooms plus a versatile loft, it offers flexible living space to fit your lifestyle. Enjoy wood-look tile throughout the main level, with plush carpeting upstairs for added comfort.

Equipped with the latest smart home technology, the home features stainless steel appliances, a washer/dryer, & window coverings—truly move-in ready. The oversized patio has been thoughtfully upgraded with pavers, artificial turf, & ambient lighting—ideal for relaxing or entertaining.

A spacious 2-car attached garage & a beautifully maintained community pool steps from your front door. All in a prime location—5 minutes to the airport & an easy drive to downtown Phoenix & Scottsdale.
